

T-18 Night Gates: What you need to know.

To improve operations, SSA Terminal 18 will begin offering night gates. To avoid confusion over the next month during the implementation of Export Gate Fees (EGF) please review the below details and confirm your account is set up for billing purposes. Please reach out to your Allports contact if you have any questions.

What Freight?

Export laden containers, only.
Export containers arriving via On Dock Rail will not be assessed the EGF.

When?

T-18 (Seattle) is currently operating Night Gates. Night Gates began on Monday, July 1, 2019.
Night Gate Fees will be assessed beginning Monday, August 5th, 2019.

How Much?

The Night Gate Fee (EGF- Export Gate Fee) will be \$38.00 per export laden container.

How Am I Billed?

Billing will currently be handled through T18gatefee@SSAMarine.com. The billing process will be as follows:

- Be sure you, as the Shipper, have a Customer Billing Information form on file with T-18. If not, please complete the form attached and return to T18GateFee@SSAMarine.com.
- Invoices will be sent to the Shipper on the ocean export booking.
- If the shipper does not show on the booking, the trucker will be billed.
