

Aug 2016

Dear Value Customer,

Please be advised that there's announcement from Chinese Authorities, General Administration of Quality Supervision, Inspection and Quarantine of the People's Republic of China (AQSIQ) as following:

In order to prevent the spread of the Zika virus, vessels/containers from all the Zika virus involved countries/regions shall be subject to effective anti-mosquito treatment. That means customer is required to present a mosquito eradication certificate. If no certificate is provided, anti-mosquito treatment should be implemented Immediately at port of destination under the supervision of the local AQSIQ.

Here is the list of involved countries/regions where Zika virus disease has been detected till Aug.3rd 2016 (the list is subject to further update)
